‘ONE HOT PONY’

Standing proud on the lively riverfront Eagle Street Pier precinct, Pony offers premier waterfront dining, leading function and event solutions with iconic bar and spacious terrace, boasting unrivaled views of the Brisbane River to Story Bridge.

A lasting impression starts with the fragrance of wood smoke and spirited chefs around an open coal pit serving an honest, uncomplicated and flavour driven menu featuring an array of shared plates and wood fired dishes from the kitchen.

Pony Eagle Street Pier is a pure thoroughbred born from passion and innovative design to create a remarkable experience from the ground up. It is not a theme; it is about engaging the senses. A 200 seat design focused dazzler from world class designers Woods Bagot of Sydney’s Ivy complex. A flowing metal ribbon reminiscent of a horse shoe and the curved line of a lasso loop, defines the space. A series of bar and dining experiences with both city and water aspects - connecting – a trademark of the Pony brand.

Pony Food

Widely regarded as the pioneers of the wood fire grill, Pony Dining offers an honest flavour driven menu showcasing Australian produce and a carefully crafted boutique selection of wines with a cheeky cocktail list. At the heart of the kitchen is a signautre Argentinean wood fire grill and a contemporary modern Australian menu featuring the finest cuts of meat, freshest seafood and an array of shared plates.

PONY DRINKS

Wines

Our dynamic hand-crafted wine list features classics from Australia's famed wine regions, along with undiscovered and remote boutique producers from the country's best micro climates. Pony also showcases natural old-world wines of select international labels from across Europe, with a particular focus on Italy.

Our rustic, artisan approach to the wine selection sees a vast majority of the restaurant's featured labels exclusive only to Pony, with a strong commitment to biodynamic varieties. The unique flavours and nuances imparted by the iron bark timber used in the wood fire grill and open coal pit also provide great scope for complementary wine pairing.

Cocktails

Pony bartenders are renowned for their flair, vision and creative instinct. Working closely with the kitchen team, our bartenders continuously push the limits in crafting a captivating, innovative and exceptional cocktail list, teaming fresh seasonal produce with interesting textural experiences.

From signature to twisted classics, short and straight up or tall orders – we cover all bases. Some of our most evocative cocktails are tailored to match key dishes on the bar menu in a precise, tantalising and unforgettable fusion. Work your way through our well shaped list based on original, seasonal and experimental recipes, sure to satisfy even the most discerning of palates.

Beer

Pony's extensive list of premium brand brews and boutique craft beers is guaranteed to quench even the most sophisticated of thirsts. Our rotating tap offers a wide variety of seasonal bottled craft beers that are sourced from award-winning micro-breweries and small producers from around the globe and in Australia.
